In their above order, Government accorded sanction for the employment of an additional waterman on Rs.10 per mensem in the Head Quarters Hospital, Mangalore for a period of two months during the hot weather in the current financial year. The Superintendent of the hospital represents that as the monsoon has not set in as yet, there is still scarcity of water, and consequently the necessity for the additional waterman continues. He therefore requests that the temporary

appointment

appointment of the additional waterman may be extended for 15 days more from 1--5--1944. I agree with the Superintendent and recommend his request for the sanction of Government.
